**Subject:** 2015-2-3 - wafb - FYI - ADEQ still deciding invite list for SEE ceremony - ST012

Catherine - Hope you are surviving the snow and cold.

Carolyn, Catherine – Can either of you please relate to me at least what EPA position level you believe has been notified of the SEE March Ribbon cutting?

Still waiting for ADEQ management to provide invitee list to me. Apparently ADEQ agency proper protocol conventional wisdom is that equivalent status positions (between agencies) should be present at ceremonies, etc.

The March SEE ribbon cutting ceremony info has been passed up ADEQ chain of command to at least the Division level {Laura Malone}. The ADEQ hierarchy runs Unit [lowest level], then Section, then Division, and finally Agency [highest level before Governor office]. Harry Hendler (Unit Manager, my supervisor) indicated that he is in a wait-loop: Until he knows what EPA level will be present, he can't make the suggestion to his boss (Section level Manager, Tina Le Page) if the invite position level should go up beyond the Division level {Laura Malone} to the Agency Director's Office {Henry Darwin, Director} or even the second in command {Misael Cabrera, Deputy Director}.

Thak you.

Wayne Miller,

ADEQ, Federal Projects Unit
